

About us

We are an e-commerce company specializing in contract manufacturing and private labeling services for Australian health products. We work closely with clients to produce custom-branded supplements, functional foods, and other wellness products, ensuring high-quality standards and compliance with industry regulations. In addition to manufacturing, we also offer discreet drop shipping services for a wide range of premium Australian products, including health supplements, organic food, and infant formula. Our goal is to help businesses expand their product offerings while delivering top-tier Australian goods directly to customers with seamless and efficient logistics.

Mission Statement:

APPP's mission is to serve a worldwide customer base providing Aussie Australian Products and premium service solutions that recognizes the value of customer care.

Company Profiles

APPP was established in 2014 and registered in 2015 with its main office located in Sydney, Australia.

Over the Australian Parliament and Trading Department strong supports, APPP has accumulated a strong and healthy market trust through a simple principle that we follow:

EARN TRUST WITH BUSINESS, BRING PREMIUM AUSSIE PRODUCTS AND SERVICES TO THE END USER, brighten the world.

APPP is among the leading distributors of Dairy Products, Supplements, Meats, Seafood and Wine in Australia.

APPP has strong connection with Aussie Farms and Factories. Our Team member owns Aussie Brand Michiko for Milk Powder, and runs a factory in NSW. An Aussie GMP factory has strong cooperation with APPP.

To achieve the market differential and customer preferences, APPP will be

only providing Aussie Premium Products and Services.
